

WEST Search History for Application 10534433

Creation Date: 2008121211:56

Query	DB	Op.	Plur.	Thes.	Date
protein near transduction near domain	PGPB, USPT, USOC, EPAB, JPAB, DWPI	AND	YES		12-12-2008
(protein near transduction near domain) same binding near complex	PGPB, USPT, USOC, EPAB, JPAB, DWPI	AND	YES		12-12-2008
(protein near transduction near domain) same fusion near protein	PGPB, USPT, USOC, EPAB, JPAB, DWPI	AND	YES		12-12-2008
(protein near transduction near domain same fusion near protein) same binding near domain	PGPB, USPT, USOC, EPAB, JPAB, DWPI	AND	YES		12-12-2008
(protein near transduction near domain same fusion near protein same binding near domain) same (promoter or enhancer)	PGPB, USPT, USOC, EPAB, JPAB, DWPI	AND	YES		12-12-2008
(protein near transduction near domain same fusion near protein same binding near domain) same (promoter or enhancer)	PGPB, USPT, USOC, EPAB, JPAB, DWPI	AND	YES		12-12-2008
(protein near transduction near domain same fusion near protein same binding near domain) and (promoter or enhancer)	PGPB, USPT, USOC, EPAB, JPAB, DWPI	AND	YES		12-12-2008
(intramuscular or intraperitoneal or intravein or intravenous or oral or nasal or subcutaneous or intradermal or mucosal or inhalation) with delivery	PGPB, USPT, USOC, EPAB, JPAB, DWPI	AND	YES		12-12-2008
(intramuscular or intraperitoneal or intravein or intravenous or oral or nasal or subcutaneous or intradermal or mucosal or inhalation) near delivery	PGPB, USPT, USOC, EPAB, JPAB, DWPI	AND	YES		12-12-2008
((intramuscular or intraperitoneal or intravein or intravenous or oral or nasal or subcutaneous or intradermal or mucosal or inhalation) near delivery) same DNA same protein	PGPB, USPT, USOC, EPAB, JPAB, DWPI	AND	YES		12-12-2008
((intramuscular or intraperitoneal or intravein or intravenous or oral or nasal or subcutaneous or intradermal or mucosal or inhalation) near delivery) same binding near complex	PGPB, USPT, USOC, EPAB, JPAB, DWPI	AND	YES		12-12-2008
